INDEPENDENT CONSTRUCTION INDUSTRY COLLECTIVE BARGAINING AGREEMENT

It is hereby stipulated and agreed by and between Chicago Concrete & Excavation Services, Inc. ("Employer") and the Construction and General Laborers' District Council of Chicago and Vicinity, Laborers' International Union of North America, AFL-CIO ("Union"), representing and encompassing its affiliated Local Unions, including Local Nos. 1, 2, 4, 5, 6, 68, 75, 76, 152, 225, 562, 681, 1001, 1035, 1092, together with any other Local Unions that may come within its jurisdiction ("Local Unions"), and encompassing the geographic areas of Cook, Lake, DuPage, Will, Grundy, Kendall, Kane, McHenry and Boone counties, Illinois, that:

1. Recognition. In response to the Union's request for recognition as the majority representative of the unit employees, the Employer recognizes the Union as the sole and exclusive collective bargaining representative under Section 9(a) of the NLRA for the employees now and hereinafter employed under this Agreement with respect to wages, hours and other terms and conditions of employment. This recognition is based on the Union having shown, or having offered to show, evidence of its majority support. The Employer has not assigned its bargaining rights to any entity for purposes of multi-employer bargaining, and it hereby revokes its prior assignment of bargaining rights, if any. The Employer further voluntarily elects not to assign such bargaining rights to any person, entity or association for purposes of multi-employer bargaining without prior written approval from the Union. Notwithstanding the number of persons employed under this Agreement, the Employer shall abide by this Agreement and all extensions hereof, and it waives any right or defenses it may have to terminate this agreement or refuse to negotiate a successor agreement based upon the number of persons employed, and it consents to enforcement of this commitment directly through any tribunal or court of competent jurisdiction.

2. Labor Contract. The Employer affirms and adopts the applicable Collective Bargaining Agreement(s), as designated by the Union in its sole discretion, between the Union and the Chicago and Associated General Contractors ("CAGC"), the Great Lakes Contractors Association ("GLCA"), the Illinois Road and Transportation Builders Association ("IRTA"), the Mason Contractors Association of Greater Chicago ("MCAGC"), the Underground Contractors Association ("UCA"), the Chicago Area Drywall Supply Association ("CADSA"), the Chicago Area Independent Construction Association ("CAICA"), the Chicago Area Rail Contractors Organization ("CARCO"), the Chicago Area Scaffolding Association ("CASA"), the Contractors Association of Will and Grundy Counties ("CAWGC"), the Concrete Contractors Association of Greater Chicago ("CCAGC"), the Chicago Demolition Contractors Association ("CDCA"), the Illinois Environmental Contractors Association ("IECA"), the Illinois Small Pavers Association ("ISPA"), and all other employer associations with whom the Union or its affiliated Local Unions have an agreement. If the applicable Collective Bargaining Agreement(s) expire during the term of this Agreement, any limitation on the right to strike shall also expire until a successor labor agreement has been established, which shall be incorporated retroactively herein. This Agreement supersedes all contrary terms in the applicable Collective Bargaining Agreement(s).

3. Total economic increase. The Employer shall pay its employees a total economic increase of \$2.45 per hour effective June 1, 2021; \$2.50 per hour effective June 1, 2022; \$2.55 per hour effective June 1, 2023; \$2.60 per hour effective June 1, 2024; and \$2.65 per hour effective June 1, 2025, said amounts to be allocated between wages, fringe benefits and other funds by the Union in its sole discretion. Effective June 1, 2021, the minimum wage rate shall be \$45.90 per hour.

4. Checkoff Deductions and Remittances. The Employer shall deduct from the gross payroll earnings of employees uniform initiation fees, assessments, membership dues, and working dues in such amounts as the Union shall from time to time establish, and shall remit monthly to the designated Union office the sums so deducted, together with an accurate list showing the employees from whom dues were deducted, the employees' individual hours, gross payroll earnings and deducted dues amounts for the monthly period, not later than the tenth (10th) day of the month following the month for which said deductions were made. If the Employer fails to timely remit any amounts to the Union or its affiliated fringe benefit funds that are required under this Agreement, it shall be obligated for all costs of collection, including attorney fees.

The Employer shall further deduct an amount designated by the Union for each hour that an employee receives wages under the terms of this Agreement on the basis of individually signed voluntary authorized deduction forms and shall pay over the amount so deducted to the Laborers' Political League ("LPL") or to a designated appointee, not later than the 10th day of the month next following the month for which such deductions were made. LPL remittances shall include a report of the hours worked by each laborer for whom deductions are made. Remittances shall be made by a separate check payable to the Laborers' Political League. The Employer shall be paid a processing fee each month from the total amount to be transmitted to the LPL to be calculated at the Illinois Department of Revenue or other applicable standard.

5. Work Jurisdiction. This Agreement covers all work within the applicable Collective Bargaining Agreements and all work within the Union's trade and geographic jurisdiction as set forth in the Union's Statement of Jurisdiction, as amended, which is incorporated by reference into this Agreement. The Employer shall assign all work described therein to its Union-represented laborer employees and acknowledges the appropriateness of such assignment. Neither the Employer nor its work assignments as required under this Agreement shall be stipulated or otherwise subject to adjustment by any jurisdictional disputes board or mechanism except upon written notice by and direction of the Union.

6. Subcontracting. The Employer, whether acting as a contractor, general manager or developer, shall not contract or subcontract any covered work to be done at the site of construction, alteration, painting or repair of a building, structure or other work to any person, corporation or entity not signatory to and covered by a collective bargaining agreement with the Union. This obligation applies to all tiers of subcontractors performing work at the site of construction. The Employer shall further assume the obligations of all tiers of its subcontractors for prompt payment of employees' wages and other benefits required under this Agreement, including reasonable attorneys' fees incurred in enforcing the provisions hereof.

The Employer further affirms that all prior contributions paid to the Welfare, Pension, Training and other Funds were made by its duly authorized agents at all proper rates, and evidence the Employer's intent to be bound by the trust agreements and Collective Bargaining Agreements in effect when the contributions were made, and acknowledging the report form to be a sufficient instrument in writing to bind the Employer to the applicable collective bargaining agreements.

8. Contract Enforcement. All grievances filed by either party arising hereunder shall, at the Union's discretion, be submitted to the Chicago District Council Grievance Committee for final and binding disposition in lieu of another grievance committee, provided that deadlocked grievances shall be submitted to final and binding arbitration upon timely demand. Should the Employer fail to comply within ten (10) days with any binding grievance award, whether by grievance committee or arbitration, it shall be liable for all costs and legal fees incurred by the Union to enforce the award. Notwithstanding anything to the contrary, nothing herein shall limit the Union's right to strike or withdraw its members because of non-payment of wages and/or fringe benefit contributions, failure by the Employer to timely remit Union dues, or non-compliance with a binding grievance award. The Employer's violation of any provision of this paragraph allows the Union to take any other legal and economic action, including but not limited to all remedies at law or equity. It is understood and agreed that the Union's right to take economic action is in addition to, and not in lieu of, its rights under the grievance procedures. Where necessary to correct contract violations, or where no acceptable steward is currently employed, the Union may appoint and place a steward from outside the workforce at all job sites.

9. Successors. In the event of any change in the ownership, management or operation of the Employer's business or substantially all of its assets, by sale or otherwise, it is agreed that as a condition of such sale or transfer that the new owner or manager, whether corporate or individual, shall be fully bound by the terms and conditions of this Agreement. The Employer shall provide no less than ten (10) days' prior written notice to the Union of the sale or transfer and shall be obligated for all expenses incurred by the Union to enforce the terms of this paragraph.

10. Termination. This Agreement shall remain in full force and effect from June 1, 2021 (unless dated differently below) through May 31, 2025, and shall continue thereafter unless there has been given written notice, by certified mail by either party, received no less than sixty (60) nor more than ninety (90) days prior to the expiration date, of the desire to modify or amend this Agreement through negotiations. In the absence of such timely notice, the Employer and the Union agree to be bound by the new applicable association agreement(s), incorporating them into this Agreement and extending this Agreement for the life of the newly negotiated agreements, and thereafter for the duration of successive agreements, unless and until timely notice of termination is given not less than sixty (60) nor more than ninety (90) days prior to the expiration of each successive agreement. Notwithstanding the foregoing, the Union in its sole discretion may terminate this Agreement at any time upon written notice should the Employer fail to comply with its bonding obligations or if the Employer is a joint employer with or alter ego of another entity with an outstanding delinquency to the Union's affiliated fringe benefit funds.

11. Execution. The signatory below warrants his or her receipt of the applicable association Collective Bargaining Agreement(s) and authorization from the Employer to execute this Agreement, without fraud or duress, and with full knowledge of the obligations and undertakings contained herein. The parties acknowledge and accept facsimile and electronic signatures on this Agreement as if they were the original signatures.

A grace period of thirty (30) days shall be granted for Employers to submit reports and contributions as provided. Said reports and contributions not received during this grace period shall be assessed liquidated damages amounting to ten (10%) percent of the amount of the contributions which are owed. The Employer acknowledges that the liquidated damages shall be used to defer administrative costs arising by said delinquency and

acknowledges the costs to be actual and substantial, though difficult to ascertain. However, the Employer acknowledges these costs to be at a minimum of ten (10%) percent, waiving the necessity of any additional proof thereof. In addition, the delinquent contributions shall bear interest at a maximum legal rate of interest per annum from the due date until they are paid.

Further, in the event the Trustees refer the account to legal counsel for collection, the delinquent Employer shall be liable for reasonable attorneys' fees, and for all reasonable costs incurred in the collection process, including court fees, audit fees, etc.

Reasonable attorneys' fees shall mean: All reasonable attorneys' fees in the amounts for which the Trustees become legally bound to pay, including recovery of liquidated damages, interests, audit costs, filing fees, and any other expenses incurred by the Trustees.

The Trustees of the aforementioned Welfare and Pension Funds and the Union shall have the authority to audit the books and records of a participating Employer, either directly or through their authorized representative, whenever such examination is deemed necessary for the purpose of compliance with the provisions of this Agreement, including the obligation to remit Union Dues under Article 3.

Each participating Employer shall make its books and records available to the Trustees for such purpose. In the event the audit discloses that the Employer, during the period of the audit, has underpaid its contributions and/or wages, the Employer shall be liable for the costs of the examination, including but not limited to, audit fees and reasonable attorneys' fees. The Trustees' authority to waive any costs shall be governed by the terms of the Trust Agreement.

Paragraph 4. Appointment of Trustees to the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity and the Laborers' Pension Fund. The parties agree that the

Employer-appointed trustees of the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity and the Laborers' Pension Fund and training and apprentice funds to which Employers are required to contribute shall be appointed solely by Employer associations that enter into collective bargaining agreements with the Union requiring contributions to such funds ("Signatory Associations"). It is further agreed that the Trust Agreements establishing such funds shall be amended to replace any Employer association that appoints a trustee and does not have a labor agreement with the Union, replacing it with a Signatory Association. The union and Signatory Associations shall meet within 30 days of the effective dates of agreements covering a majority of Fund participants to review the appointment of Employer Trustees of the funds. It is agreed that the numbers of hours contributed by Employers represented by Signatory Associations compared to contributions by other Signatory Associations during the preceding year shall be the basis for assigning the number of trustee appointments. If such parties are unable to agree on the Signatory Associations to be responsible for appointments and the number of appointments to be made by each Signatory Association the dispute shall be submitted to expedited arbitration under Subpart D of the Policies and Procedures of the Federal Mediation and Conciliation Service.

Paragraph 5. Article III Section 2 of the trust agreements of the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity and the Laborers' Pension Fund shall be amended to include the following: "Association-appointed Trustees must be full-time employees of Contributing Employers within the Association's membership. A Contributing Employer shall be defined as an Employer that has employed an average of five (5) or more Laborers performing bargaining unit work for whom contributions have been made per month in each of the previous three (3) calendar years."

Paragraph 6. Section 415 Excess Benefit Fund. A Section 415 Excess Benefit Fund shall be established for the purpose of providing alternative benefit to any employees of the Employer who become unable to receive the entire amount of the accrued pension benefits to which they would be entitled under one or more of the pension plans sponsored by their Employer because of limitations established by Section 415 of the Internal Revenue Code. The Employer may be required and directed by the Board of Trustees of the Excess Benefit Fund to contribute a portion of its agreed-upon “pension” contribution to the Section 415 Excess Benefit Fund and shall not increase the Employer’s cost beyond the amount that the Employer is obligated to contribute to the Laborers’ Pension Fund and that the funding of the Section 415 Excess Benefit Fund shall be fully tax deductible to the Employer for Federal Income Tax purposes. The Employer hereby agrees that the Board of Trustees of any such Section 415 Excess Benefit Fund shall be authorized to determine each year the amount that will be contributed by the Employer and the amount to be credited to the account of any eligible retiree for payment in lieu of accrued benefits that would exceed the limits set by Section 415 of the Internal Revenue Code.

Paragraph 7. The Employer agrees to be bound by the Agreements and Declarations of Trust, as well as any amendments thereto, establishing the Chicagoland Laborers’ Vacation Fund, a jointly-trusteed vacation plan established for the purpose of providing income to members during their winter layoffs. Contributions to the Fund will be allocated in the Union’s sole discretion from the total economic increase.

Paragraph 8. The Employer agrees to be bound by the Agreements and Declarations of Trust, as well as any amendments thereto, establishing the Chicagoland Laborers’ Annuity Fund, a jointly-trusteed defined contribution plan providing a supplemental retirement benefit. Contributions to the Fund will be allocated in the Union’s sole discretion from the total economic increase.

Paragraph 9. SUPERVISORS: To the extent permissible by the Internal Revenue Service or any Federal Act, and for the purposes of Paragraphs 2 and 3 of this Article for this Agreement only, the bargaining unit shall also include those persons in the employ of an Employer who are supervisors, as defined in the Labor Management Relations Act, as amended; and who at one time were Employee members of the bargaining unit herein on whose behalf contributions were required to be made to the trust funds described in the aforesaid Paragraph 2 and 3 of this Article.

Paragraph 10. Special Rules for Bonding. An employer that is owned or managed, in whole or part, by an individual who currently has or previously had in the last ten (10) years ownership or principal managerial responsibility for another contributing employer that currently is or ceased doing business when delinquent to the Funds shall be required to post for the benefit of the Funds an additional cash bond or obtain a surety bond from a Fund-approved insurer in an amount equal to twice the amount of the other contributing employer's delinquency. This amount may be adjusted by the Benefit Fund Trustees for each individual employer. This bond shall be in addition to and separate from the bond required elsewhere in this Agreement.

Paragraph 11. Withdrawal of Employees. If the Employees are withdrawn from any job in order to collect contributions to the Laborers' Health and Welfare, Pension and/or Apprenticeship and Training Funds, the Employees who are affected by such stoppage of work shall be paid for lost time up to sixteen (16) hours, provided that two (2) days' written notice of intention to remove employees from the job is given to the Employer by the Union. These lost time amounts may be collected only from the contractor with whom the Union has a dispute and the Union shall not pursue collection efforts from any other entity. This lost time liability shall not apply if the Employer has made payment on behalf of the affected employees to another fringe benefit fund under a

MARBA labor agreement or a labor agreement of a union affiliated with the Building and Construction Trades Department, AFL-CIO.

Article 6 BONDING

Paragraph 1. All Employers shall procure, carry and maintain a surety bond in form and amount satisfactory to the Union, but not less than in the principal sum of \$5,000.00, to guarantee payment of wages, Pension and Welfare Trust contributions, during the term of this Agreement. The bond shall be placed in the custody of the Pension and Welfare Funds.

Paragraph 2. If the Employer employs between seven (7) and ten (10) Laborers, the surety bond shall be increased to \$15,000. If the Employer employs between eleven (11) and twenty (20) Laborers, the surety bond shall be increased to \$25,000. If the Employer employs twenty-one (21) to forty (40) Laborers, the surety bond shall be increased to \$35,000. If the Employer employs forty-one (41) or more Laborers, the surety bond shall be increased to \$45,000.

Paragraph 3. The Employer shall be required to obtain an appropriate bond upon contract execution, which bond may also be posted in cash. The trustees of the benefit funds, based on established guidelines or a contractor's payment history, shall have the discretion to adopt a policy that increases, reduces or eliminates the bonding requirements of this Article for those contractors the trustees deem appropriate for such increase, reduction or elimination. Should the Employer fail to comply with the provisions of this Article, the Union may withdraw its Employees or strike until such compliance occurs, and the Employer shall further be liable for all costs, including attorneys' fees, incurred in enforcing these provisions.

Paragraph 4. The Employer shall give notice to the Union and the appropriate Fund Office in writing not later than ten (10) days after the occurrence of any of the

following events relating to the Employer, occurring after the date hereof:

- (a) Formation of Partnerships;
- (b) Termination of business;
- (c) Change of name commonly used in business operation;
- (d) Change in form of business organization;
- (e) Incorporation of business;
- (f) Dissolution of corporation;
- (g) Name and business organization of successor; and
- (h) Admission to or withdrawal from any association operating as a multi-employer bargaining unit.

Paragraph 5. Withdrawal of Employees. If the Employees are withdrawn from any job in order to ensure compliance with the provisions of this Article, the Employees who are affected by such stoppage of work shall be paid for lost time up to sixteen (16) hours, provided that two (2) days' written notice of intention to remove employees from the job is given to the Employer by the Union. These lost time amounts may be collected only from the contractor with whom the Union has a dispute and the Union shall not pursue collection efforts from any other entity. This lost time liability shall not apply if the Employer produces the required bond before expiration of the 2-day notice period.

Article 7 INDUSTRY FUND

Paragraph 1. Each Employer shall pay into an industry advancement fund the amount of eight cents (\$.08) for each hour worked for the Employer by those of his Employees who are covered by this Agreement. This payment shall be collected for and remitted only to funds as provided under written agreements between an employer association and the Union.

Each Employer shall pay into the Chicago-Area Laborers-Employers Cooperation and Education Trust ("LECET"), the amount of seven cents (\$.07) for each hour worked for the Employer by those of his Employees who are covered by this Agreement, or such additional amounts as the Union may in its sole discretion allocate from the annual total economic increase.

Each Employer shall pay into the Laborers' District Council Labor Management Cooperation Committee ("LDC/LMCC"), the amount of seventeen cents (\$.17) for each hour worked for the Employer by those of his Employees who are covered by this Agreement, or such additional amounts as the Union may in its sole discretion allocate from the annual total economic increase.

Paragraph 2. The Employer agrees to be bound by the Agreement and Declaration of Trust establishing the Industry Fund, as well as any amendments thereto, and agrees to be bound by all actions taken by the Trustees of said Industry Fund pursuant to said Agreement and Declaration of Trust and amendments thereto. The Employer agrees to be bound by the Agreements and Declarations of Trust establishing the LECET and LDC/LMCC, as well as any amendments thereto.

Paragraph 3. Inasmuch as the existence and utilization of this Industry Fund should result in increased construction and, therefore, in increased construction job opportunities for Employees, the Union agrees to cooperate in assuring that the contributions required by this Article are in fact made by Employers bound by this Agreement.

Article 8 PARTICULAR WORK RULES AND CLARIFICATION OF CONDITIONS

ARTICLE VII

FUNDING PENSION PLAN BENEFITS

Section I. IN GENERAL. In order to fund the benefits provided under the Pension Plan, each Employer, for the period that it is obligated by a Written Agreement, shall make contributions to the Trustees at the times required by that agreement. The rate of contributions shall be determined by the applicable Collective Bargaining Agreement or Participation Agreement, together with any amendments, supplements or modifications thereto. Notwithstanding the preceding sentence, if an Employer is required to make contributions by reason of a Participation or other Written Agreement that is not a Collective Bargaining Agreement, the amount of its contributions shall be the same as the amount required by the Collective Bargaining Agreement in effect between the Employer Association and the Union which covers Employees performing similar work. No

Employee shall be permitted to contract or otherwise agree with or permit his Employer to provide wage or benefit payments which do not conform with the amount of contributions required under the provisions of a Collective Bargaining Agreement or Participation Agreement and any such contract or agreement shall be null and void. It shall not be a defense to any claim by the Trustees or an Employee for payment of delinquent contributions from an Employer that such Employer has entered into an agreement with any Employee purporting to waive the Employee's right to strict compliance with the provisions of the applicable Collective Bargaining Agreement or a Participation Agreement. All contributions shall be paid in the manner and form required by the Trustees.

Section 2. DEFAULT IN PAYMENT OF CONTRIBUTIONS. Nonpayment by an Employer of any contributions when due shall not relieve any other Employer of his obligation to make payments. The Trustees may take any action necessary to enforce payment of the contributions and penalties due hereunder, including, but not limited to, proceedings at law and in equity. Any such action shall not prejudice the Union in any action it may wish to take on account of such nonpayment. The Trustees are authorized to establish a reasonable and lawful grace period by which contributions must be received; Employers making contributions that are not received before the expiration of said period and any Employer making late payments due under an installment agreement shall be assessed liquidated damages of 10% of the amount of the contributions which are owed. All Employers party to or otherwise bound by this Agreement acknowledge that the

liquidated damages will be used to defer administrative costs arising by said delinquency and acknowledge the costs to be actual and substantial though difficult to ascertain; however the Employers acknowledge these costs to be at a minimum of 10%, waiving the necessity of any additional proof thereof. In addition, the delinquent contributions and any payments owed by an Employer pursuant to an installment agreement, shall bear interest up to the prime rate of interest plus two points charged by the Fund's custodian bank (or any other bank selected by the Trustees) or such other lawful amount as determined by the Trustees from the due date until totally satisfied. The Trustees are hereby given the power and authority to delegate the collection of contributions to a Collection Committee, which, in its discretion, may assess a lesser or greater amount or waive or suspend payment of liquidated damages, interest, audit fees or investigative costs in accordance with rules and procedures adopted by the Collection Committee and to compromise claims for delinquent contributions and related liabilities and collection costs where appropriate to settle cases favorably for the Fund. The Collection Committee may include trustees of the Laborers' Welfare Fund as members of the Committee.

In the event an Employer party to this Agreement or otherwise bound thereby becomes delinquent in his contributions or an installment agreement, or fails to post a bond as required, said delinquent Employer shall be liable for reasonable attorneys' fees and for all reasonable costs incurred in the collection process, including court fees, audit fees, investigative costs, etc. The term "reasonable attorneys' fees" as used herein shall mean all

attorneys' fees in the amounts for which the Trustees become legally obligated including recovery of liquidated damages, audit costs, filing fees and any other expenses incurred by the Trustees.

The Trustees are hereby given the power and authority, in their discretion, to require any Employer to deposit with the Trustees, in advance, as a guarantee for the payment of monthly contributions, an amount equal to three (3) times the monthly contributions of such Employer, as estimated by the Trustees. At the option of the Trustees the Employer shall furnish the Trustees, in lieu of any cash deposit, a bond in an amount not less than Five Thousand Dollars (\$5,000.00) or in an amount consistent with the terms of the current collective bargaining agreements. In the event an Employer is repeatedly delinquent in its contribution payments to the Pension Fund, the Trustees have the power and authority to require that Employer to purchase a bond in excess of \$5,000.00 or the amounts set forth in the current collective bargaining agreements, in an amount equal to three (3) times the highest monthly contributions of the Employer in the twelve months prior to any delinquency. The Trustees, in their discretion, may also waive the requirement of a cash deposit or a surety bond in lieu of a personal guaranty when such waiver is warranted.

Section 3. REPORT ON CONTRIBUTIONS AND PRODUCTION OF RECORDS. The Employers shall make all reports on contributions required by the Trustees. Each Employer shall promptly furnish to the Trustees, on demand, the names of its employees, their social security numbers, the hours worked by each employee, and such

other information as the Trustees may reasonably require in connection with the administration of the Trust and Pension Plan. The Trustees may at any time have an audit made by an independent certified public accountant or its representatives of the payroll of any Employer in connection with the said contributions and/or reports. All Employers shall be required to maintain records in compliance with procedures developed and communicated by the Administrator from the beginning of such Employer's participation in the Pension Fund forward unless given written authorization by the Administrator upon request to destroy said record. The Administrator shall require the Employer to designate the classification of all of his employees and if the Employer fails to do so, the Trustees shall conduct an investigation for the purpose of determining the classification of such employees and the results of said investigation shall be conclusive. Attached hereto as Addendum A are the current collection policies concerning Scheduling of Audits and Retention and Production of Employer Records adopted by the Trustees.

ARTICLE VIII

FILING CLAIMS AND REVIEW OF DENIALS OF CLAIM

Section 1. FILING OF A CLAIM. Claims for the payment of any benefits provided by the Pension Plan shall be filed, in writing, in accordance with the Rules and Regulations set forth in Article 7 of the Pension Plan.

ADDENDUM A

RECORDS REQUIRED TO BE RETAINED BY EMPLOYERS AND PRODUCED FOR AUDITS

The following records shall be maintained and retained by all contributing employers to the Benefit Funds for at least six years from the contribution date and shall be produced for inspection and copying by an auditor of the Benefit Funds upon written request:

1. Quarterly and annual payroll tax returns, including, but not limited to, federal quarterly form 941's, federal annual form W-2's, W-3's, 940's, 1099's and state quarterly unemployment returns (form UC-3).
2. Payroll journals and/or registers which include or identify employees' social security numbers, hourly rates of pay, hours worked and the time period in which the work was performed.
3. Individual earnings records for all employees of the employer not shown on payroll journals or registers, including social security number and work classification (or code or clock or ID number), hourly rates of pay, hours worked and the time period in which the work was performed.
4. Cash disbursement journals and general ledgers.
5. Copies of all contribution reports and proof of payment (canceled checks or records of canceled checks) of all contributions to the Laborers' Funds and to all other trade union fringe benefit funds to which the employer contributed.
6. Copies of all dues records and proof of payment (canceled checks or records of canceled checks) of all union dues submitted to the Laborers' District Council.
7. Records showing all amounts paid to all persons or entities that performed work for the employer as independent contractors or subcontractors, if any, including copies of any federal form 1099's issued by the employer.
8. Daily time records filed by employees or supervisors.
9. Source documents and lists of job codes and equipment codes.
10. Certified payrolls for public sector jobs where such payrolls are required.
11. Employee personnel files including, but not limited to, last known addresses and telephone numbers, any documents which demonstrate employees' job classifications and/or status as an apprentice, journeyman, foreman, superintendent, or supervisor. (Confidential medical records or other private records not relevant to the establishment of an employee's job classification shall not be disclosed.)

12. Bank account statements and canceled checks from any account used in conjunction with the employer's business.

13. If records of all hours worked, rates of pay and classifications are not provided in the records listed in items 1 through 10, the employer shall maintain monthly lists of all employees not shown on payroll records, showing Social Security number and work classification (or code or clock or ID number), rates of pay and hours worked.

Honor Roll Employers shall be required only to produce basic records needed by the Benefit Funds' auditors to do an audit, specifically items 1 through 7 above. However, if an initial examination of such limited records discloses significant record keeping errors or failures to contribute, the auditor may request additional records listed above. In the absence of evidence of a deliberate failure by an Honor Roll Employer to contribute on behalf of a bargaining unit employee, the rebuttable presumptions provided for in the attached Policy for Retention and Production of Employer Records shall not apply to such Honor Roll Employer.

Notwithstanding the foregoing, the Collection Committee or the Director of the Field Department may, in their discretion, determine that a full audit shall be done of any employer or that, where a sampling audit is to be conducted, specific records shall be produced. The judgment of the trustees in interpreting and applying this policy shall be conclusive and binding on all parties.

Adopted January 9, 2002

LABORERS' PENSION AND WELFARE FUNDS

POLICY FOR RETENTION AND PRODUCTION OF EMPLOYER RECORDS

As Adopted by the Boards of Trustees
Effective as of April 1, 2006

WHEREAS, Section 209 of the Employee Retirement Income Security Act of 1974 , as amended ("ERISA"), 29 U.S.C. Section 1059, requires employers obligated to contribute to employee benefit funds to maintain records with respect to its employees which are sufficient to determine benefits due to such employees of which may become due to them; and

WHEREAS, the Trustees of the Laborers' Pension Fund and the Trustees of the Health and Welfare Department of the Construction and General Laborers' District Council of Chicago and Vicinity (collectively, the "Benefit Funds") have the authority under their respective Trust Agreements to establish rules, regulations and policies regarding records which must be maintained by employers in order to administer the Benefit Funds; and

WHEREAS, the Trustees of the Benefit Funds have found that most contributing employers maintain proper records and make all required contributions to the Benefit Funds, nevertheless, there are employers who are bound by the Trust Agreements of the Benefit Funds who fail to maintain records which are adequate for the Funds to determine whether proper contributions have been made on behalf of eligible employees and that some of such employers do so deliberately in order to avoid their obligations to make such payments; and

WHEREAS, the practices of employers who fail to maintain records sufficient to enable the Benefit Funds to conduct thorough payroll audits cause their employees to lose valuable pension and welfare benefits and cause the Benefit Funds to lose contractually required contributions and investment earnings on those contributions; and

WHEREAS, the practices of employers who fail to maintain adequate records cause the Benefit Funds to incur substantial additional administrative and legal expenses in order to determine proper amounts owed to the Funds by such employers; and

WHEREAS, enforcement of a policy specifying the records required to be maintained and produced increases the ability of the Funds to prove the contributions owed by delinquent employers and thereby to provide proper credit to the employees and their beneficiaries;

NOW THEREFORE, the Trustees resolve that the following policies are adopted by the Benefit Funds effective as of March 1, 2002:

1. Except as otherwise provided herein, all contributing employers to the Benefit Funds shall maintain and make available for inspection and copying by an auditor of the Benefit Funds the records listed on Appendix A, attached hereto.

2. Any employer obligated to contribute to the Benefit Funds who fails to maintain and make available for inspection and copying to an auditor of the Benefit Funds the requisite records listed on Appendix A shall bear the burden of proof with respect to the exclusion of any employee from coverage by the collective bargaining agreement with the Union. In those cases where an employer asserts that an employee is excluded because he/she is a member of another bargaining unit, the employer must submit tangible evidence of that fact, e.g., a union membership card, contribution records maintained for the benefit funds of the other bargaining unit, commercial drivers' license if it is asserted that an employee is a truck driver rather than a laborer and workers' compensation policies, forms and applications listing an employee's job classification or other business records. The affidavit of an employer's representative or officer unsupported by documentary evidence shall not be sufficient to meet the employer's burden of proof. Affidavits solicited and obtained ex parte by an employer's representative from employees, for which there is no corroborative evidence in the form of records maintained in the ordinary course of business, shall not be sufficient to meet the employer's burden of proof.

3. When an employer has failed to maintain or make available the requisite records, there shall be a rebuttable presumption that any employee listed as a possible laborer by an auditor, Field Representative or attorney representing the Benefit Funds was a laborer. There shall also be rebuttable presumptions concerning the hourly rate and number of hours worked as follows: (a) that the employee was paid only \$10.00 per hour if no record of wage rates was made by the employer, and/or (b) that the employee worked 72 hours per week if no record of the number of hours was maintained; whichever of these presumptions results in the higher amount of contributions shall be applied. When evidence exists that a different hourly rate was paid to employees of an employer that failed to maintain the required records, at the discretion of the Director of the Field Department, a different hourly rate may be presumed for purposes of determining the amount of contributions owed by the employer. If that evidence shows that the employer paid a rate lower than \$10.00 per hour to any employees doing bargaining unit work, then that lower rate shall be presumed to be the actual rate paid to all employees for whom adequate records were not kept. Similarly, where evidence exists of a different number of hours worked, the Director may apply a different number of hours for determining the contributions owed, and this number of hours worked shall be presumed correct. All wages computed as provided in this paragraph shall be presumed to be paid as straight time wages regardless of the number of hours worked unless the employer has provided documentation, in the form required by the terms of this policy, showing that it followed the requirements of the Fair Labor Standards Act and/or the applicable collective bargaining agreement as to the payment of overtime.

4. An employer that fails to maintain the requisite records and fails to cooperate with the Trustees in establishing the paid wage rates, actual hours of work and contributions owed to the Benefit Funds shall be liable to the Benefit Funds and any related organizations, for the contribution amounts determined as provided herein and also for 20% liquidated damages, compound interest at the rate of prime plus 2 points (as determined by the Administrator), auditor's and attorney's fees and any other expenses of collection including investigative costs.

LABORERS' PENSION AND WELFARE FUNDS

POLICY FOR SCHEDULING OF AUDITS

As Adopted by The Boards of Trustees

Effective as of April 1, 2006

Contributing employers to the Laborers' Pension Fund and the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity (collectively, the "Benefit Funds"), shall be audited periodically in accordance with the procedures adopted by the Collection Committee of the Benefit Funds. The Director of the Field Department, in cooperation with the Benefit Funds' auditors, shall prepare a schedule for auditing contributing employers in accordance with the following procedures.

Two types of audits shall be conducted: "full audits" in which payroll and other records on all employees are examined and "sampling audits" in which a selection of payroll and other records are tested to enable the compliance auditor to make a reasonable determination that there are no delinquencies. A sampling audit should include a review of all types of records (e.g. payroll records, tax records, cash disbursement records, reports to other benefit funds, etc.) Where a sampling audit discloses delinquencies or related record discrepancies, a full audit shall be conducted.

Employers shall be scheduled for either full audits or sampling audits in groups based upon the contribution histories of the employers. Either a sampling or full audit shall be conducted at least once every five (5) years. Any employer that fails to schedule an audit and submit records for review within 45 days from the date of the audit request will be liable for all costs of compelling and enforcing the audit request. The following procedures shall be used:

AUDIT PERIOD

1. **New Employers.** New employers shall be scheduled for audits within the first year in which contributions to the Benefit Funds are required.

2. **Honor Roll Employers.** Employers with a history of adequate record keeping and timely, payments to the Benefit Funds ("Honor Roll Employers"), shall be required to submit to audits every three (3) to five (5) years. Following an audit showing adequate record keeping and correct payments, such an employer shall be designated an Honor Roll Employer and shall be selected randomly for an audit between the third and fifth year thereafter. (Such employers may opt for a scheduled audit every three years.) An inadvertent shortage of no more than the greater of \$1000 or two percent (2%) of required contributions determined on a full audit covering three or more years of contributions to the Benefit Funds shall not disqualify an employer from inclusion in this group.

3. **Other Contributing Employers.** Employers that are not classified as New or Honor Roll Employers or who have been assessed significant delinquencies to the Benefit Funds or any of the ancillary funds to which contributions are owed pursuant to the collective bargaining agreements of the Laborers' District Council shall be scheduled for full audits at least once every three (3) years.

4. **Employers Subject to Special Audits.** At the discretion of the Director of the Field Department full audits of employers obligated to contribute to the Benefit Funds may be conducted at any time based upon information concerning possible delinquencies, e.g., failure to file monthly remittance reports, failure to pay contractually required wage rates, information concerning a possible closing or sale of the business, information that the employer is operating an alter ego or similar bases suggesting possible delinquencies.

FULL AND SAMPLING AUDITS

1. **New Employers.** If there is a sufficient number of employees of a New Employer, the auditor of the Benefit Funds may do a sampling audit to determine if the employer is maintaining accurate records and making required contributions, otherwise the auditor will do a full audit. An important purpose of audits for new employers is to inform employers of the procedures for contributing to the Benefit Funds and the requisite records to be maintained. *

2. **Honor Roll Employers.** Sampling audits shall be used for Honor Roll Employers if they have sufficient employees to warrant use of sampling methods. If a sampling audit discloses inaccurate or incomplete record keeping or evidence of significant delinquencies, a full audit shall be done.

3. **Other Contributing Employers.** Full audits shall be conducted if employers are not qualified as New or Honor Roll Employers.

4. Notwithstanding the foregoing, the Collection Committee or the Director of the Field Department may, in their discretion, determine that a full audit shall be done of any employer or that, where a sampling audit is to be conducted, specific records shall be produced.*

* For information concerning the requisite records to be maintained, see the Laborers' Pension and Welfare Funds Policy for Retention and Production of Employer Records, effective as of April 1, 2006 and the Records Required to be Retained By Employers and Produced for Audits adopted January 9, 2002.

**AMENDMENT TO THE
RESTATED AGREEMENT AND DECLARATION OF TRUST
CREATING LABORERS' PENSION FUND**

WHEREAS, Article XII of the Restated Agreement and Declaration of Trust ("Trust Agreement") of the Laborer's Pension Fund (the "Fund") provides that the Board of Trustees have the authority to amend the Trust Agreement;

WHEREAS, Article IV of the Fund's Trust Agreement sets forth the powers and duties of the Trustees;

WHEREAS, the Trustees have an obligation to protect the interests of the Plan's Participants and to protect the assets of the Fund;

WHEREAS, the Trustees are aware of situations in which contributing Employers have ceased business operations leaving a large indebtedness to the Fund without a reasonable likelihood of the Fund collecting such delinquent contributions;

WHEREAS, the individual officers and owners of some Employers have secured jobs knowing that they will not comply with their legal obligations to the Fund by keeping accurate records of their laborer employees' employment and make all the required contributions to the Fund; and

WHEREAS, such illegal conduct causes substantial losses to the Fund and deprives Employers who comply with its obligations to the Fund of opportunities to secure employment for their laborer employees; and

WHEREAS, the individual officers, partners or owners of some contributing Employers have used various entities to avoid liability to the Fund for contributions that would otherwise be due and then created new companies in order to continue to operate using such illegal practices;

WHEREAS, in some instances such individual officers or owners have accepted employment as a supervisor or manager with another contributing Employer and been responsible for causing such Employers to fail to comply with their obligations to keep accurate records and make all required contributions;

WHEREAS, the Trustees have determined that certain individuals and entities (as hereinafter defined "Deadbeat Employers") who engage in these practices willfully or with reckless disregard for their legal obligations or with repeated incompetence at the expense of their employees and the Fund have caused the Fund to incur large financial losses and employees to lose benefit coverage for which they had worked;

WHEREAS, the Trustees have concluded that such Deadbeat Employers' practices result in unfair competition for other contributing Employers often with the result of enriching

themselves and depriving lawful Employers of needed work, and depriving the Fund's participants of benefits;

WHEREAS, it is the desire of the Trustees to amend the Trust Agreement in order expressly to provide that the Fund may impose appropriate protective financial requirements on any Employer that is owned by or that hires a Deadbeat Employer in a managerial or supervisory role;

NOW THEREFORE, the undersigned Trustees of the Fund, pursuant to the authority of Article XII of the Restated Agreement and Declaration of Trust, do hereby adopt the following Amendment to the Restated Agreement and Declaration of Trust effective as of August 1, 2006:

I.

The following is added as an additional Paragraph under Article I, "Certain Definitions", Section 2, "Employer":

"A "Deadbeat Employer" is defined as any entity or individual (including, but not limited to a corporation, partnership, or sole proprietorship and its respective officers, partners or owners) who have, or previously had in the last 10 years, incurred substantial liability to the Fund for delinquent contributions and then ceased operations or became insolvent, without satisfying such substantial liability and without any reasonable likelihood of paying the amounts due to the Fund. For purposes of this Section, substantial liability shall not be less than \$30,000."

II.

The following is added as Section (4) to Article VII, "Funding Pension Plan Benefits":

"Section 4. ADDITIONAL REQUIREMENTS FOR DEADBEAT EMPLOYERS.

(a) EMPLOYER OWNED BY DEADBEAT EMPLOYER. Subject to the provisions of subsection (c) and following 30 days after receipt by the Employer of the Notice described therein, any Employer that is owned, whether in whole or in part, by a Deadbeat Employer shall be deemed by the Fund as a successor employer to the Deadbeat Employer for purposes of the delinquent contribution obligations of the Deadbeat Employer to the Fund and shall (i) be liable to the Fund for the unpaid liabilities of the Deadbeat Employer and (ii) be required to post a bond for the benefit of the Fund in an amount equal to twice the amount of the Deadbeat Employer's prior delinquencies to the Fund.

(b) EMPLOYER OPERATED BY DEADBEAT EMPLOYER. Subject to the provisions of subsection (c) and following 30 days after receipt by the Employer of the Notice described therein, any Employer whom the Trustees reasonably believe employs an officer, partner or owner of a Deadbeat Employer in a managerial or supervisory position or in any other responsible position in which the Deadbeat Employer may exercise any control over the assets of

the Employer or contribution obligations of the Employer to the Fund shall be deemed by the Fund as a successor employer to the Deadbeat Employer for purposes of the delinquent contribution obligations of the Deadbeat Employer to the Fund and shall (i) be liable to the Fund for the unpaid liabilities of the Deadbeat Employer and (ii) be required to post a bond for the benefit of the Fund in an amount equal to twice the amount of the Deadbeat Employer's prior delinquencies to the Fund.

(c) PROCEDURES BY WHICH AN EMPLOYER MAY AVOID LIABILITY UNDER THIS SECTION. The Fund shall send written notice (the "Notice") to any Employer whom the Trustees reasonably believe, is owned, in whole or part by a Deadbeat Employer, or who employs an officer, partner or owner of a Deadbeat Employer in a managerial or supervisory position or in any other responsible position in which the Deadbeat Employer may exercise any control over the assets of the Employer or contribution obligations to the Fund. The Notice will provide the Employer with a date certain, no less than 30 days after the date of transmittal of the Notice to the Employer, to provide evidence, satisfactory to the Trustees, that the Employer should not be subject to the provisions of subsections (a) or (b), as applicable, as the Employer deems appropriate in order to avoid liability under this Section. Any Employer, following the date set forth in the Notice from the Fund, who does not provide such satisfactory evidence to the Trustees, shall be subject to the obligations set forth in subsections (a) or (b), as applicable. Any Employer who employs an officer or owner of a Deadbeat Employer in a non-managerial or non-supervisory position or in any other position in which the Deadbeat Employer does not exercise any control over the assets of the Employer or contribution obligations to the Fund will not be considered a successor employer and will not be required to post the bond described in this Section.

(d) MISCELLANEOUS PROVISIONS. The bond referenced in this Section shall be in addition to any other bond requirements set forth in the Written Agreement. The Trustees shall have discretion to waive the additional bond requirement or to reduce the amount of the bond, when, based on the specific circumstances, the Trustees determine it is reasonable to do so. Whenever a family member of a Deadbeat Employer purportedly has an ownership interest of an Employer that employs an officer, partner or owner of a Deadbeat Employer, there will be a rebuttable presumption that the Deadbeat Employer has substantial control over the assets of that Employer. "

Except as hereinbefore amended, the Trust Agreement shall remain in full force and effect in accordance with its terms.

ARTICLE VI
EMPLOYER CONTRIBUTIONS

Section 1. IN GENERAL. In order to fund the Benefits provided for by this Agreement, each Employer, for the period that it is obligated by a Written Agreement, shall make contributions to the Trustees pursuant to regulations established by the Trustees at the times required by that agreement. The rate of contributions shall be determined by the applicable Collective Bargaining Agreements or Participation Agreements, together with any amendments, supplements or modifications thereto. Notwithstanding the preceding sentence, if an Employer is required to make contributions by reason of a Participation Agreement or other Written Agreement that is not a Collective Bargaining Agreement, the amount of its contributions shall be not less than the amount required by the Collective Bargaining Agreement in effect between the Employer Association and the Union having jurisdiction over the geographic area in which the covered Employees perform their work. No Employee shall be permitted to contract or otherwise agree with or permit his Employer to provide wage or benefit payments which do not conform with the amount of contributions required under the foregoing provisions of this Section and any such contract or agreement shall be null and void. It shall not be a defense to any claim by the Trustees or an Employee for payment of delinquent contributions from an Employer that such Employer had entered into an agreement with any Employee purporting to waive the Employee's right to strict compliance with the provisions of the applicable Collective Bargaining Agreement or a Participation Agreement. All contributions shall be paid in the manner and form required by the Trustees.

Section 2. DEFAULT IN PAYMENT OF CONTRIBUTIONS. Nonpayment by an Employer of any contributions when due shall not relieve any other Employer of his obligation to make payments. The Trustees may take any action necessary to enforce payment of the contributions and penalties due hereunder, including, but not limited to, proceedings at law and in equity. Any such action shall not prejudice the Union in any action it may wish to take on account of such nonpayment. The Trustees are authorized to establish a reasonable and lawful grace period by which contributions must be received; Employers making contributions that are not received before the expiration of said period and any Employer making late payments due under an installment agreement shall be assessed liquidated damages of 10% of the amount of the contributions which are owed. All Employers party to or otherwise bound by this Agreement acknowledge that the liquidated damages will be used to defer administrative costs arising by said delinquency and acknowledge the costs to be actual and substantial though difficult to ascertain; however the Employers acknowledge these costs to be at a minimum of 10% waiving the necessity of any additional proof thereof. In addition, the delinquent contributions and any payments by the Employer pursuant to an installment agreement, shall bear interest, up to the prime rate plus two points, charged by the Fund's custodian bank (or any other bank selected by the Trustees) or such other lawful amount as determined by the Trustees from the due date until totally satisfied. The Trustees are hereby given the power and authority, in their discretion, to assess a lesser amount or to waive or suspend payment of liquidated damages, interest, audit fees or investigative costs in accordance with rules and procedures adopted by the Collection Committee of the Board of Trustees and to compromise claims for delinquent contributions and related liabilities and collection costs where appropriate to settle cases favorably for the Welfare

Fund. The Collection Committee may include trustees of the Laborers' Pension Fund as members of such Collection Committee.

In the event an Employer party to this Agreement or otherwise bound thereby becomes delinquent in his contributions or an installment agreement, or fails to post a bond as required, or refuses to provide the records required to be kept by contributing employers or submit to an audit, said delinquent Employer shall be liable for reasonable attorneys' fees and for all reasonable costs incurred in the collection process, including but not limited to, court fees, audit fees and investigative costs. The term "reasonable attorneys' fees" as used herein shall mean all attorneys' fees in the amounts for which the Trustees become legally obligated for actions seeking delinquent contributions, to compel an audit, or for recovery of liquidated damages, audit costs, filing fees and any other expenses incurred by the Trustees.

The Trustees are hereby given the power and authority in their discretion, to require any Employer to deposit with the Trustees, in advance, as a guarantee for the payment of monthly contributions, an amount equal to three (3) times the monthly contributions of such Employer, as estimated by the Trustees. At the option of the Trustees the Employer shall furnish the Trustees in lieu of any cash deposit a bond in an amount not less than Five Thousand Dollars (\$5,000.00), or in an amount consistent with the terms of the current Collective Bargaining Agreement to which the Employer is subject. In the event an Employer is repeatedly delinquent in its contribution payments to the Welfare Fund, the Trustees have the power and authority to require that Employer to purchase a bond in excess of \$5,000.00 or the amounts set forth in the current Collective Bargaining Agreements in an amount equal to three (3) times the highest monthly contributions of the Employer in the twelve months prior to any delinquency. The Trustees, in their discretion, may also waive the requirement of a cash deposit or a surety bond in lieu of a personal guaranty when such waiver is warranted.

Section 3. REPORT ON CONTRIBUTIONS AND PRODUCTION OF RECORDS.

The Employers shall make all reports on contributions required by the Trustees. Each Employer shall promptly furnish to the Trustees, on demand, the names of its employees, their social security numbers, the hours worked by each employee, and such other information as the Trustees may reasonably require in connection with the administration of the Trust. The Trustees may at any time have an audit made by an independent accounting firm of the payroll of any Employer in connection with the said contributions and/or reports. All Employers shall be required to maintain records in compliance with procedures from the beginning of such Employer's participation in the Trust until given written authorization by the Administrator, upon request, to destroy said records. The Administrator shall require the Employer to designate the classification of all of his employees and if the Employer fails to do so, the Trustees shall conduct an investigation for the purpose of determining the classification of such employees and the results of said investigation shall be conclusive. Attached hereto as Addendum A are the current collection policies concerning the Scheduling of Audits and Retention and Production of Employer Records adopted by the Trustees.

ADDENDUM A

RECORDS REQUIRED TO BE RETAINED BY EMPLOYERS AND PRODUCED FOR AUDITS

The following records shall be maintained and retained by all contributing employers to the Benefit Funds for at least six years from the contribution date and shall be produced for inspection and copying by an auditor of the Benefit Funds upon written request:

1. Quarterly and annual payroll tax returns, including, but not limited to, federal quarterly form 941's, federal annual form W-2's, W-3's, 940's, 1099's and state quarterly unemployment returns (form UC-3).
2. Payroll journals and/or registers which include or identify employees' social security numbers, hourly rates of pay, hours worked and the time period in which the work was performed.
3. Individual earnings records for all employees of the employer not shown on payroll journals or registers, including social security number and work classification (or code or clock or ID number), hourly rates of pay, hours worked and the time period in which the work was performed.
4. Cash disbursement journals and general ledgers.
5. Copies of all contribution reports and proof of payment (canceled checks or records of canceled checks) of all contributions to the Laborers' Funds and to all other trade union fringe benefit funds to which the employer contributed.
6. Copies of all dues records and proof of payment (canceled checks or records of canceled checks) of all union dues submitted to the Laborers' District Council.
7. Records showing all amounts paid to all persons or entities that performed work for the employer as independent contractors or subcontractors, if any, including copies of any federal form 1099's issued by the employer.
8. Daily time records filed by employees or supervisors.
9. Source documents and lists of job codes and equipment codes.
10. Certified payrolls for public sector jobs where such payrolls are required.
11. Employee personnel files including, but not limited to, last known addresses and telephone numbers, any documents which demonstrate employees' job classifications and/or status as an apprentice, journeyman, foreman, superintendent, or supervisor. (Confidential medical records or other private records not relevant to the establishment of an employee's job classification shall not be disclosed.)

12. Bank account statements and canceled checks from any account used in conjunction with the employer's business.

13. If records of all hours worked, rates of pay and classifications are not provided in the records listed in items 1 through 10, the employer shall maintain monthly lists of all employees not shown on payroll records, showing Social Security number and work classification (or code or clock or ID number), rates of pay and hours worked.

Honor Roll Employers shall be required only to produce basic records needed by the Benefit Funds' auditors to do an audit, specifically items 1 through 7 above. However, if an initial examination of such limited records discloses significant record keeping errors or failures to contribute, the auditor may request additional records listed above. In the absence of evidence of a deliberate failure by an Honor Roll Employer to contribute on behalf of a bargaining unit employee, the rebuttable presumptions provided for in the attached Policy for Retention and Production of Employer Records shall not apply to such Honor Roll Employer.

Notwithstanding the foregoing, the Collection Committee or the Director of the Field Department may, in their discretion, determine that a full audit shall be done of any employer or that, where a sampling audit is to be conducted, specific records shall be produced. The judgment of the trustees in interpreting and applying this policy shall be conclusive and binding on all parties.

Adopted January 9, 2002

LABORERS' PENSION AND WELFARE FUNDS

POLICY FOR RETENTION AND PRODUCTION OF EMPLOYER RECORDS

As Adopted by the Boards of Trustees
Effective as of April 1, 2006

WHEREAS, Section 209 of the Employee Retirement Income Security Act of 1974 , as amended ("ERISA"), 29 U.S.C. Section 1059, requires employers obligated to contribute to employee benefit funds to maintain records with respect to its employees which are sufficient to determine benefits due to such employees of which may become due to them; and

WHEREAS, the Trustees of the Laborers' Pension Fund and the Trustees of the Health and Welfare Department of the Construction and General Laborers' District Council of Chicago and Vicinity (collectively, the "Benefit Funds") have the authority under their respective Trust Agreements to establish rules, regulations and policies regarding records which must be maintained by employers in order to administer the Benefit Funds; and

WHEREAS, the Trustees of the Benefit Funds have found that most contributing employers maintain proper records and make all required contributions to the Benefit Funds, nevertheless, there are employers who are bound by the Trust Agreements of the Benefit Funds who fail to maintain records which are adequate for the Funds to determine whether proper contributions have been made on behalf of eligible employees and that some of such employers do so deliberately in order to avoid their obligations to make such payments; and

WHEREAS, the practices of employers who fail to maintain records sufficient to enable the Benefit Funds to conduct thorough payroll audits cause their employees to lose valuable pension and welfare benefits and cause the Benefit Funds to lose contractually required contributions and investment earnings on those contributions; and

WHEREAS, the practices of employers who fail to maintain adequate records cause the Benefit Funds to incur substantial additional administrative and legal expenses in order to determine proper amounts owed to the Funds by such employers; and

WHEREAS, enforcement of a policy specifying the records required to be maintained and produced increases the ability of the Funds to prove the contributions owed by delinquent employers and thereby to provide proper credit to the employees and their beneficiaries;

NOW THEREFORE, the Trustees resolve that the following policies are adopted by the Benefit Funds effective as of March 1, 2002:

1. Except as otherwise provided herein, all contributing employers to the Benefit Funds shall maintain and make available for inspection and copying by an auditor of the Benefit Funds the records listed on Appendix A, attached hereto.

2. Any employer obligated to contribute to the Benefit Funds who fails to maintain and make available for inspection and copying to an auditor of the Benefit Funds the requisite records listed on Appendix A shall bear the burden of proof with respect to the exclusion of any employee from coverage by the collective bargaining agreement with the Union. In those cases where an employer asserts that an employee is excluded because he/she is a member of another bargaining unit, the employer must submit tangible evidence of that fact, e.g., a union membership card, contribution records maintained for the benefit funds of the other bargaining unit, commercial drivers' license if it is asserted that an employee is a truck driver rather than a laborer and workers' compensation policies, forms and applications listing an employee's job classification or other business records. The affidavit of an employer's representative or officer unsupported by documentary evidence shall not be sufficient to meet the employer's burden of proof. Affidavits solicited and obtained ex parte by an employer's representative from employees, for which there is no corroborative evidence in the form of records maintained in the ordinary course of business, shall not be sufficient to meet the employer's burden of proof.

3. When an employer has failed to maintain or make available the requisite records, there shall be a rebuttable presumption that any employee listed as a possible laborer by an auditor, Field Representative or attorney representing the Benefit Funds was a laborer. There shall also be rebuttable presumptions concerning the hourly rate and number of hours worked as follows: (a) that the employee was paid only \$10.00 per hour if no record of wage rates was made by the employer, and/or (b) that the employee worked 72 hours per week if no record of the number of hours was maintained; whichever of these presumptions results in the higher amount of contributions shall be applied. When evidence exists that a different hourly rate was paid to employees of an employer that failed to maintain the required records, at the discretion of the Director of the Field Department, a different hourly rate may be presumed for purposes of determining the amount of contributions owed by the employer. If that evidence shows that the employer paid a rate lower than \$10.00 per hour to any employees doing bargaining unit work, then that lower rate shall be presumed to be the actual rate paid to all employees for whom adequate records were not kept. Similarly, where evidence exists of a different number of hours worked, the Director may apply a different number of hours for determining the contributions owed, and this number of hours worked shall be presumed correct. All wages computed as provided in this paragraph shall be presumed to be paid as straight time wages regardless of the number of hours worked unless the employer has provided documentation, in the form required by the terms of this policy, showing that it followed the requirements of the Fair Labor Standards Act and/or the applicable collective bargaining agreement as to the payment of overtime.

4. An employer that fails to maintain the requisite records and fails to cooperate with the Trustees in establishing the paid wage rates, actual hours of work and contributions owed to the Benefit Funds shall be liable to the Benefit Funds and any related organizations, for the contribution amounts determined as provided herein and also for 20% liquidated damages, compound interest at the rate of prime plus 2 points (as determined by the Administrator), auditor's and attorney's fees and any other expenses of collection including investigative costs.

LABORERS' PENSION AND WELFARE FUNDS

POLICY FOR SCHEDULING OF AUDITS

As Adopted by The Boards of Trustees
Effective as of April 1, 2006

Contributing employers to the Laborers' Pension Fund and the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity (collectively, the "Benefit Funds"), shall be audited periodically in accordance with the procedures adopted by the Collection Committee of the Benefit Funds. The Director of the Field Department, in cooperation with the Benefit Funds' auditors, shall prepare a schedule for auditing contributing employers in accordance with the following procedures.

Two types of audits shall be conducted: "full audits" in which payroll and other records on all employees are examined and "sampling audits" in which a selection of payroll and other records are tested to enable the compliance auditor to make a reasonable determination that there are no delinquencies. A sampling audit should include a review of all types of records (e.g. payroll records, tax records, cash disbursement records, reports to other benefit funds, etc.) Where a sampling audit discloses delinquencies or related record discrepancies, a full audit shall be conducted.

Employers shall be scheduled for either full audits or sampling audits in groups based upon the contribution histories of the employers. Either a sampling or full audit shall be conducted at least once every five (5) years. Any employer that fails to schedule an audit and submit records for review within 45 days from the date of the audit request will be liable for all costs of compelling and enforcing the audit request. The following procedures shall be used:

AUDIT PERIOD

1. **New Employers.** New employers shall be scheduled for audits within the first year in which contributions to the Benefit Funds are required.

2. **Honor Roll Employers.** Employers with a history of adequate record keeping and timely, payments to the Benefit Funds ("Honor Roll Employers"), shall be required to submit to audits every three (3) to five (5) years. Following an audit showing adequate record keeping and correct payments, such an employer shall be designated an Honor Roll Employer and shall be selected randomly for an audit between the third and fifth year thereafter. (Such employers may opt for a scheduled audit every three years.) An inadvertent shortage of no more than the greater of \$1000 or two percent (2%) of required contributions determined on a full audit covering three or more years of contributions to the Benefit Funds shall not disqualify an employer from inclusion in this group.

3. **Other Contributing Employers.** Employers that are not classified as New or Honor Roll Employers or who have been assessed significant delinquencies to the Benefit Funds or any of the ancillary funds to which contributions are owed pursuant to the collective bargaining agreements of the Laborers' District Council shall be scheduled for full audits at least once every three (3) years.

4. Employers Subject to Special Audits. At the discretion of the Director of the Field Department full audits of employers obligated to contribute to the Benefit Funds may be conducted at any time based upon information concerning possible delinquencies, e.g., failure to file monthly remittance reports, failure to pay contractually required wage rates, information concerning a possible closing or sale of the business, information that the employer is operating an alter ego or similar bases suggesting possible delinquencies.

FULL AND SAMPLING AUDITS

1. New Employers. If there is a sufficient number of employees of a New Employer, the auditor of the Benefit Funds may do a sampling audit to determine if the employer is maintaining accurate records and making required contributions, otherwise the auditor will do a full audit. An important purpose of audits for new employers is to inform employers of the procedures for contributing to the Benefit Funds and the requisite records to be maintained. *

2. Honor Roll Employers. Sampling audits shall be used for Honor Roll Employers if they have sufficient employees to warrant use of sampling methods. If a sampling audit discloses inaccurate or incomplete record keeping or evidence of significant delinquencies, a full audit shall be done.

3. Other Contributing Employers. Full audits shall be conducted if employers are not qualified as New or Honor Roll Employers.

4. Notwithstanding the foregoing, the Collection Committee or the Director of the Field Department may, in their discretion, determine that a full audit shall be done of any employer or that, where a sampling audit is to be conducted, specific records shall be produced.*

* For information concerning the requisite records to be maintained, see the Laborers' Pension and Welfare Funds Policy for Retention and Production of Employer Records, effective as of April 1, 2006 and the Records Required to be Retained By Employers and Produced for Audits adopted January 9, 2002.

**AMENDMENT TO THE
RESTATED AGREEMENT AND DECLARATION OF TRUST
OF THE HEALTH AND WELFARE DEPARTMENT OF THE CONSTRUCTION AND
GENERAL LABORERS' DISTRICT COUNCIL OF CHICAGO AND VICINITY**

WHEREAS, Article XI of the Restated Agreement and Declaration of Trust ("Trust Agreement") provides that the Board of Trustees of the Health and Welfare Department of the Construction and General Laborers' District Council of Chicago and Vicinity ("Fund") have the authority to amend the Trust Agreement;

WHEREAS, Article IV of the Fund's Trust Agreement sets forth the powers and duties of the Trustees;

WHEREAS, the Trustees have an obligation to protect the interests of the Plan's Participants and to protect the assets of the Fund;

WHEREAS, the Trustees are aware of situations in which contributing Employers have ceased business operations leaving a large indebtedness to the Fund without a reasonable likelihood of the Fund collecting such delinquent contributions;

WHEREAS, the individual officers and owners of some Employers have secured jobs knowing that they will not comply with their legal obligations to the Fund by keeping accurate records of their laborer employees' employment and make all the required contributions to the Fund; and

WHEREAS, such illegal conduct causes substantial losses to the Fund and deprives Employers who comply with its obligations to the Fund of opportunities to secure employment for their laborer employees; and

WHEREAS, the individual officers, partners or owners of some contributing Employers have used various entities to avoid liability to the Fund for contributions that would otherwise be due and then created new companies in order to continue to operate using such illegal practices;

WHEREAS, in some instances such individual officers or owners have accepted employment as a supervisor or manager with another contributing Employer and been responsible for causing such Employers to fail to comply with their obligations to keep accurate records and make all required contributions;

WHEREAS, the Trustees have determined that certain individuals and entities (as hereinafter defined "Deadbeat Employers") who engage in these practices willfully or with reckless disregard for their legal obligations or with repeated incompetence at the expense of their employees and the Fund have caused the Fund to incur large financial losses and employees to lose benefit coverage for which they had worked;

WHEREAS, the Trustees have concluded that such Deadbeat Employers' practices result in unfair competition for other contributing Employers often with the result of enriching themselves and depriving lawful Employers of needed work, and depriving the Fund's participants of benefits;

WHEREAS, it is the desire of the Trustees to amend the Trust Agreement in order expressly to provide that the Fund may impose appropriate protective financial requirements on any Employer that is owned by or that hires a Deadbeat Employer in a managerial or supervisory role;

NOW THEREFORE, the undersigned Trustees of the Fund, pursuant to the authority of Article XII of the Restated Agreement and Declaration of Trust, do hereby adopt the following Amendment to the Restated Agreement and Declaration of Trust effective as of August 1, 2006:

I.

The following is added as an additional Paragraph under Article I, "Certain Definitions", Section 2, "Employer":

"A "Deadbeat Employer" is defined as any entity or individual (including, but not limited to a corporation, partnership, or sole proprietorship and its respective officers, partners or owners) who have, or previously had in the last 10 years, incurred substantial liability to the Fund for delinquent contributions and then ceased operations or became insolvent, without satisfying such substantial liability and without any reasonable likelihood of paying the amounts due to the Fund. For purposes of this Section, substantial liability shall not be less than \$30,000."

II.

The following is added as Section (4) to Article VI, "Employer Contributions":

"Section 4. ADDITIONAL REQUIREMENTS FOR DEADBEAT EMPLOYERS.

(a) **EMPLOYER OWNED BY DEADBEAT EMPLOYER.** Subject to the provisions of subsection (c) and following 30 days after receipt by the Employer of the Notice described therein, any Employer that is owned, whether in whole or in part, by a Deadbeat Employer shall be deemed by the Fund as a successor employer to the Deadbeat Employer for purposes of the delinquent contribution obligations of the Deadbeat Employer to the Fund and shall (i) be liable to the Fund for the unpaid liabilities of the Deadbeat Employer and (ii) be required to post a bond for the benefit of the Fund in an amount equal to twice the amount of the Deadbeat Employer's prior delinquencies to the Fund.

(b) **EMPLOYER OPERATED BY DEADBEAT EMPLOYER.** Subject to the provisions of subsection (c) and following 30 days after receipt by the Employer of the Notice described therein, any Employer whom the Trustees reasonably believe employs an officer, partner or owner of a Deadbeat Employer in a managerial or supervisory position or in any other responsible position in which the Deadbeat Employer may exercise any control over the assets of

the Employer or contribution obligations of the Employer to the Fund shall be deemed by the Fund as a successor employer to the Deadbeat Employer for purposes of the delinquent contribution obligations of the Deadbeat Employer to the Fund and shall (i) be liable to the Fund for the unpaid liabilities of the Deadbeat Employer and (ii) be required to post a bond for the benefit of the Fund in an amount equal to twice the amount of the Deadbeat Employer's prior delinquencies to the Fund.

(c) PROCEDURES BY WHICH AN EMPLOYER MAY AVOID LIABILITY UNDER THIS SECTION. The Fund shall send written notice (the "Notice") to any Employer whom the Trustees reasonably believe, is owned, in whole or part by a Deadbeat Employer, or who employs an officer, partner or owner of a Deadbeat Employer in a managerial or supervisory position or in any other responsible position in which the Deadbeat Employer may exercise any control over the assets of the Employer or contribution obligations to the Fund. The Notice will provide the Employer with a date certain, no less than 30 days after the date of transmittal of the Notice to the Employer, to provide evidence, satisfactory to the Trustees, that the Employer should not be subject to the provisions of subsections (a) or (b), as applicable, as the Employer deems appropriate in order to avoid liability under this Section. Any Employer, following the date set forth in the Notice from the Fund, who does not provide such satisfactory evidence to the Trustees, shall be subject to the obligations set forth in subsections (a) or (b), as applicable. Any Employer who employs an officer or owner of a Deadbeat Employer in a non-managerial or non-supervisory position or in any other position in which the Deadbeat Employer does not exercise any control over the assets of the Employer or contribution obligations to the Fund will not be considered a successor employer and will not be required to post the bond described in this Section.

(d) MISCELLANEOUS PROVISIONS. The bond referenced in this Section shall be in addition to any other bond requirements set forth in the Written Agreement. The Trustees shall have discretion to waive the additional bond requirement or to reduce the amount of the bond, when, based on the specific circumstances, the Trustees determine it is reasonable to do so. Whenever a family member of a Deadbeat Employer purportedly has an ownership interest of an Employer that employs an officer, partner or owner of a Deadbeat Employer, there will be a rebuttable presumption that the Deadbeat Employer has substantial control over the assets of that Employer. "

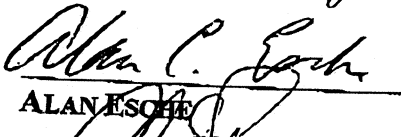

III.

Except as hereinbefore amended, the Trust Agreement shall remain in full force and effect in accordance with its terms.

IN WITNESS WHEREOF, the undersigned Trustees have caused this Amendment to be executed on the dates appearing opposite their respective names.

 - (f) If a Trustee is absent from any meeting, then, to the extent permitted by law, he shall not be liable for any matter considered at that meeting on which he has not cast a vote as provided by the foregoing sentence.

ARTICLE VI

EMPLOYER CONTRIBUTIONS

Section 1. IN GENERAL. In order to fund the retiree benefits provided for by this Agreement, each Employer, for the period that it is obligated by a Written Agreement, shall make contributions to the Trustees pursuant to regulations established by the Trustees at the times required by that agreement. The rate of contributions shall be determined by the applicable

Collective Bargaining Agreements or Participation Agreements, together with any amendments, supplements or modifications thereto. Notwithstanding the preceding sentence, if an Employer is required to make contributions by reason of a Participation Agreement or other Written Agreement that is not a Collective Bargaining Agreement, the amount of its contributions shall be not less than the amount required by the Collective Bargaining Agreement in effect between the Employer Association and the Union having jurisdiction over the geographic area in which the covered Employees perform their work. No Employee shall be permitted to contract or otherwise agree with or permit his Employer to provide wage or benefit payments which do not conform with the amount of contributions required under the foregoing provisions of this Section and any such contract or agreement shall be null and void. It shall not be a defense to any claim by the Trustees or an Employee for payment of delinquent contributions from an Employer that such Employer had entered into an agreement with any Employee purporting to waive the Employee's right to strict compliance with the provisions of the applicable Collective Bargaining Agreement or a Participation Agreement. All contributions shall be paid in the manner and form required by the Trustees.

Section 2. DEFAULT IN PAYMENT OF CONTRIBUTIONS. Nonpayment by an Employer of any contributions when due shall not relieve any other Employer of his obligation to make payments. The Trustees may take any action necessary to enforce payment of the contributions and penalties due hereunder, including, but not limited to, proceedings at law and in equity. Any such action shall not prejudice the Union in any action it may wish to take on account of such nonpayment. The Trustees are authorized to establish a reasonable and lawful grace period by which contributions must be received; Employers making contributions that are not received before the expiration of said period and any Employer making late payments due under an installment agreement shall be assessed liquidated damages of 10% of the amount of the contributions which are owed. All Employers party to or otherwise bound by this Agreement acknowledge that the liquidated damages will be used to defer administrative costs arising by said delinquency and acknowledge the costs to be actual and substantial though difficult to ascertain; however the Employers acknowledge these costs to be at a minimum of 10% waiving the necessity of any additional proof thereof. In addition, the delinquent contributions and any payments by the Employer pursuant to an installment agreement, shall bear interest, up to the prime rate plus two points, charged by the Fund's custodian bank (or any other bank selected by the Trustees) or such other lawful amount as determined by the Trustees from the due date until totally satisfied. The Trustees are hereby given the power and authority, in their discretion, to assess a lesser amount or to waive or suspend payment of liquidated damages, interest, audit fees or investigative costs in accordance with rules and procedures adopted by the Collection Committee of the Board of Trustees and to compromise claims for delinquent contributions and related liabilities and collection costs where appropriate to settle cases favorably for the Retiree Welfare Fund. The Collection Committee may include trustees of the Laborers' Pension Fund as members of such Collection Committee.

In the event an Employer party to this Agreement or otherwise bound thereby becomes delinquent in his contributions or an installment agreement, or fails to post a bond as required, or refuses to provide the records required to be kept by contributing employers or submit to an audit, said delinquent Employer shall be liable for reasonable attorneys' fees and for all reasonable costs incurred in the collection process, including but not limited to, court fees, audit

fees and investigative costs. The term “reasonable attorneys’ fees” as used herein shall mean all attorneys’ fees in the amounts for which the Trustees become legally obligated for actions seeking delinquent contributions, to compel an audit, or for recovery of liquidated damages, audit costs, filing fees and any other expenses incurred by the Trustees.

The Trustees are hereby given the power and authority in their discretion, to require any Employer to deposit with the Trustees, in advance, as a guarantee for the payment of monthly contributions, an amount equal to three (3) times the monthly contributions of such Employer, as estimated by the Trustees. At the option of the Trustees the Employer shall furnish the Trustees in lieu of any cash deposit a bond in an amount not less than Five Thousand Dollars (\$5,000.00), or in an amount consistent with the terms of the current Collective Bargaining Agreement to which the Employer is subject. In the event an Employer is repeatedly delinquent in its contribution payments to the Retiree Welfare Fund, the Trustees have the power and authority to require that Employer to purchase a bond in excess of \$5,000.00 or the amounts set forth in the current Collective Bargaining Agreements in an amount equal to three (3) times the highest monthly contributions of the Employer in the twelve months prior to any delinquency. The Trustees, in their discretion, may also waive the requirement of a cash deposit or a surety bond in lieu of a personal guaranty when such waiver is warranted.

Section 3. REPORT ON CONTRIBUTIONS AND PRODUCTION OF RECORDS.

The Employers shall make all reports on contributions required by the Trustees. Each Employer shall promptly furnish to the Trustees, on demand, the names of its employees, their social security numbers, the hours worked by each employee, and such other information as the Trustees may reasonably require in connection with the administration of the Trust. The Trustees may at any time have an audit made by an independent accounting firm of the payroll of any Employer in connection with the said contributions and/or reports. All Employers shall be required to maintain records in compliance with procedures from the beginning of such Employer’s participation in the Trust until given written authorization by the Administrator, upon request, to destroy said records. The Administrator shall require the Employer to designate the classification of all of his employees and if the Employer fails to do so, the Trustees shall conduct an investigation for the purpose of determining the classification of such employees and the results of said investigation shall be conclusive. Attached hereto as Addendum A are the current collection policies concerning the Scheduling of Audits and Retention and Production of Employer Records adopted by the Trustees.

Section 4. ADDITIONAL REQUIREMENTS FOR DEADBEAT EMPLOYERS.

- (a) EMPLOYER OWNED BY DEADBEAT EMPLOYER. Subject to the provisions of subsection (c) and following 30 days after receipt by the Employer of the Notice described therein, any Employer that is owned, whether in whole or in part, by a Deadbeat Employer shall be deemed by the Fund as a successor employer to the Deadbeat Employer for purposes of the delinquent contribution obligations of the Deadbeat Employer to the Fund and shall (i) be liable to the Fund for the unpaid liabilities of the Deadbeat Employers and (ii) be required to post a bond for the benefit of the Fund in an amount equal to twice the amount of the Deadbeat Employer's prior delinquencies to the Fund.
- (b) EMPLOYER OPERATED BY DEADBEAT EMPLOYER. Subject to the provisions of subsection (c) and following 30 days after receipt by the Employer of the Notice described therein, any Employer whom the Trustees reasonably believe employs an officer, partner or owner of a Deadbeat Employer in a managerial or supervisory position or in any other responsible position in which the Deadbeat Employer may exercise any control over the assets of the Employer or contribution obligations of the Employer to the Fund shall be deemed by the Fund as a successor employer to the Deadbeat Employer for purposes of the delinquent contribution obligations of the Deadbeat Employer to the Fund and shall (i) be liable to the Fund for the unpaid liabilities of the Deadbeat Employer and (ii) be required to post a bond for the benefit of the Fund in an amount equal to twice the amount of the Deadbeat Employer's prior delinquencies to the Fund.
- (c) PROCEDURES BY WHICH AN EMPLOYER MAY AVOID LIABILITY UNDER THIS SECTION. The Fund shall send written notice (the "Notice") to any Employer whom the Trustees reasonably believe, is owned, in whole or part by a Deadbeat Employer, or who employs an officer, partner or owner of a Deadbeat Employer in a managerial or supervisory position or in any other responsible position in which the deadbeat Employer may exercise any control over the assets of the Employer or contribution obligations to the Fund. The Notice will provide the Employers with a date certain, no less than 30 days after the date of transmittal of the Notice to the Employer, to provide evidence, satisfactory to the Trustees, that the Employer should not be subject to the provision of subsection (a) or (b), as applicable, as the Employer deems appropriate in order to avoid liability under this Section. Any Employers, following the date set forth in the Notice from the Fund, who does not provide such satisfactory evidence to the Trustees, shall be subject to the obligations set forth in subsections (a) or (b), as applicable. Any Employer who employs an officer or owner of a Deadbeat Employer in a non-managerial or non-supervisory position or in any other position in which the Deadbeat Employer does not exercise any control over the assets of the Employer or contribution obligations to the Fund will not be considered a successor employer and will not be required to post the bond described in this Section.

- (d) MISCELLANEOUS PROVISIONS. The bond reference in the Section shall be in addition to any other bond requirements set forth in the Written Agreement. The Trustees shall have discretion to waive the additional bond requirement or to reduce the amount of the bond, when, based on the specific circumstances, the Trustees determine it is reasonable to do so. Whenever a family member of a Deadbeat Employer purportedly has an ownership interest of an Employer that employs an officer, partner or owner of a Deadbeat Employer, there will be a rebuttable presumption that the Deadbeat Employer has substantial control over the assets of that Employer.

ARTICLE VII

FILING CLAIMS AND REVIEW OF DENIAL OF CLAIM

Section 1. FILING OF A CLAIM. Claims for the payment of any retiree benefits shall be filed, in writing, via common carrier, U.S. mail or electronic mail, in accordance with the Rules and Regulations of the Retiree Welfare Fund.

Section 2. ADJUDICATION OF CLAIMS AND APPEALS. The Trustees shall have the authority to adopt procedures for the review of claims and appeals of claims denied in whole or in part in accordance with ERISA and regulations adopted pursuant to ERISA. The Trustees have delegated authority to decide claims to the Claims Department and to decide appeals to the Claims Committee of the Board of Trustees. The procedures may be changed from time to time at the discretion of the Board of Trustees. The current procedures for claims and appeals are set forth in the Summary Plan Description of the Retiree Welfare Fund.

The Trustees and/or the Claims Committee have full discretionary authority to determine eligibility for Benefits under the Plan and to interpret the Plan, all Plan documents, rules, procedures, and the terms of the Trust Agreement. Their decisions and interpretations will be given the maximum deference permitted by law for the exercise of such full discretionary authority, they will be binding upon all involved persons.

AGREEMENT AND DECLARATION OF TRUST
ESTABLISHING
THE CONSTRUCTION AND GENERAL LABORERS'
DISTRICT COUNCIL OF CHICAGO AND VICINITY
TRAINING TRUST FUND

THIS AGREEMENT AND DECLARATION OF TRUST, made and entered into as of the 1st day of June, 1986 by and between THE CONSTRUCTION AND GENERAL LABORERS' DISTRICT COUNCIL OF CHICAGO AND VICINITY, A.F.L.-C.I.O., representing its affiliated Local Unions and the members thereof (the "Council") and the BUILDERS' ASSOCIATION OF CHICAGO, the UNDERGROUND CONTRACTORS ASSOCIATION, and the ILLINOIS ROAD BUILDERS' ASSOCIATION, and all other employer associations (the "Associations") who have hereto bargained or may hereafter bargain or enter into collective bargaining agreements or other agreements with the Union, its local affiliates, or with representatives of this Trust, for and on behalf of themselves and their respective members who by virtue of their said membership or otherwise are parties to collective bargaining agreements with the Union or any of its local affiliates or are parties to this Agreement or are otherwise bound to the provisions hereof as hereinafter provided, and other employers in the building and construction industry who may not be members of any association but who are included in the term "Employers" (as defined in Section 2 of ARTICLE I) and agree to be bound by this Agreement or who are otherwise so bound as provided as set forth in Section 2 of ARTICLE I;

WITNESSETH:

(1) The Employers are parties to a collective bargaining agreement, or supplements thereto, with the Council which requires

Employer contributions of a certain sum per hour per Employee to a training fund provided in a program to be created for participating employees and established by this trust agreement.

(2) the parties have agreed that such contributions shall be payable to and be deposited in the Trust Fund created and established by this Trust Agreement.

NOW, THEREFORE, in consideration of the premises and in order to establish and provide for the maintenance of said Trust Fund to be known as "THE CONSTRUCTION AND GENERAL LABORERS' DISTRICT COUNCIL OF CHICAGO AND VICINITY TRAINING TRUST FUND" hereinafter referred to as the "Trust Fund," it is mutually understood and agreed as follows.

ARTICLE I

Definitions

Unless the context or subject matter otherwise requires, the following definitions shall govern in this Trust Agreement.

Section 1. WRITTEN AGREEMENT

The term "Written Agreement" shall mean any agreement in writing which specifies the detailed basis on which contributions shall be made to this Trust together with any modification, amendment or renewals thereof, including but not limited to Collective Bargaining Agreements, memoranda of understanding which incorporate by reference Collective Bargaining Agreements or this Agreement, report forms in accordance with which contributions are made and which obligate the Employer to the provisions of this Agreement, or any other agreement obligating the Employer signatory thereto to participate in or be bound by this Agreement.

signatory association, nor any officers, agent, employee or committee member of the Employers, or of any signatory association shall be liable to make contributions to the Fund or be under any other liability to the Fund or with respect to the Training Program, except to the extent that he may be an individual Employer required to make contributions to the Fund with respect to his or its own individual or joint venture operations, or to the extent he may incur liability as a Trustee, as hereinafter provided. The liability of any individual Employer to the Fund, or with respect to the Training Program shall be limited to the payments required by any written agreement with respect to his or its individual or joint venture operations, and in no event shall he or it be liable or responsible for any portion of the contributions due from other individual Employers with respect to the operations of such Employers. The individual Employers shall not be required to make any further payments or contributions to the cost of the operations of the Fund or of the Training Program, except as provided in Section 8 of this Article.

Section 6. Neither the Employers, any signatory association, any individual Employer, the Council, nor any employee shall be liable or responsible for any debts, liabilities or obligations of the Fund or the Trustees.

Section 7. Contributions to the Fund shall be due and payable to the principal office of the Fund and shall be made in regular monthly installments except as otherwise herein provided in Section 9 of this Article II. Each contribution to the Fund shall be made promptly, and in any event on or before the 10th day

of the calendar month in which it becomes due and payable. Each monthly contribution shall include all payments which have accrued in the interim for work performed up to the close of the Employer's payroll period ending closest to the last day of the preceding calendar month. Each monthly contribution shall be accompanied by a report in a form prescribed by the Board of Trustees.

Section 8. The parties recognize and acknowledge that the regular and prompt payment of Employer contributions and reports to the Fund are essential to the maintenance of the Fund and that it would be extremely difficult, if not, impracticable, to fix the actual expense and damage to the Fund and to the Training Program which would result from the failure of an Employer to pay such monthly contributions in full within the time provided above. Therefore, if any Employer is delinquent in remitting its contributions within the time specified in Section 7 of this Article, the amount of damage to the Fund and Training Program resulting from failure to make reports or pay contributions within the time above specified shall be presumed to be the sum of ten percent (10%) of the amount of the contribution due for each delinquent report or contribution. This amount shall be added as liquidated damages upon the day immediately following the date on which the report or the contribution or contributions become delinquent. Delinquent contributions and penalties shall also bear interest at a rate up to the prime rate of interest as recognized by the First National Bank of Chicago or such other lawful amount as determined by the Trustees from the due date until

delinquency is totally satisfied. The Trustees, however, in their discretion, for good cause (Trustees shall have sole right to determine what shall constitute good cause) shall have the right and power to waive all or any part of any sums due the Fund as liquidated damages. Failure by any Employer to make the required payments hereunder shall be deemed a breach of the written agreement by the Employer and be subject to economic action by the Council in addition to the other remedies as provided herein. The Trustees may, at their option, also take legal action to collect all delinquent amounts owing to the Fund, and parties agree that if the delinquent account of any Employer is referred to an attorney for collection, such Employer shall immediately become liable for a reasonable sum for the attorneys' fee together with an amount equal to all costs incurred by the Trustees in commencing or prosecuting legal action in any Court. In such legal action, venue shall be laid at Cook County, Illinois, as the Fund is administered in such county.

Section 9. In the case of certain Employers who have defaulted on payments in the past, or who otherwise give the Trustees reasonable cause to feel insecure as to future contributions, the Trustees shall have the power to require a bond for the payment of contributions.

ARTICLE III

Board of Trustees

Section 1. Except as otherwise specifically provided, the Fund shall be operated and administered by a Board of Trustees whose membership shall consist of three persons appointed as trustees by the Association (known as the "Association Appointed

This Declaration is submitted in support of the Laborers’ Funds’ Motion for Entry of Judgment in Sum Certain.

2. Shareholders of the law firm of Allison, Slutsky & Kennedy, out-of-house collection counsel for the Funds, billed the Funds at a rate of \$265.00 per hour for shareholders, \$220.00 per hour for associates, and \$120.00 for paralegals. Affiant, as in-house counsel for the Funds, has first-hand knowledge that the foregoing hourly rates have been found reasonable and have been awarded by many courts in collection proceedings.

3. I received a Bachelor of Arts Degree from Illinois State University in 2000, Masters of Science from University of Illinois at Chicago in 2002 and a Juris Doctor from Chicago-Kent College of Law in 2005. I was admitted to the bar of the State of Illinois in November of 2005 and to the bar of the United States District Court for the Northern District in January 2006. In March 2006, I became in-house counsel for the Laborers' Funds.

4. Based on the foregoing, \$265.00, represent a fair and reasonable market rate for my in-house legal services to the Funds in this matter.

5. Exhibit B-1 attached hereto sets forth the time expended to date by Fund Counsel. As set forth in Exhibit B-1, Fund Counsel has expended 10.7 hours totaling \$2,835.50 in attorneys' fees and \$471.00 in expenses totaling \$3,306.50.
